

operations of the office of the Chief Administrative Officer, CAO. When Bill came to work for the House in October 1999, he immediately began working on the reorganization of the former Office of Media and Support Services, MSS, into what is today House Support Services, HSS. Bill's leadership eliminated the duplication of activities between the individual offices of MSS and changed the culture from an inward-focused organization that waited for the customer to come to them to an outward-focused organization that attempts to anticipate the customer's need. Bill's work with the reorganization of HSS was the first step in the direction of the major cultural change that is taking place within the CAO organization. Therefore, it was only logical that Bill be asked to lead the effort in developing the implementation plan for the CAO Customer Solutions Delivery Model. For the past 6 months, Bill has led the team that is developing this new CAO-wide model of customer service that will expand upon, and improve, the underlying tenet of the HSS reorganization: providing outstanding service to the U.S. House of Representatives.

On behalf of the entire House community, we extend congratulations to Bill for his many years of dedication and outstanding contributions to the U.S. House of Representatives. We wish Bill many wonderful years in fulfilling his retirement dreams.

Mr. SAXTON. Mr. Speaker, I rise today to pay tribute to my good friend, Mary Wells, President and CEO of Family Service of Burlington County as she retires after 35 years of faithful service to the citizens of this great county.

Mary earned her Bachelor of Arts degree from Drew University in 1964, and her Masters in Social Work at the Rutgers School of Social Work in 1967. She became a Licensed Clinical Social Worker in 1994.

**HON. THOMAS G. TANCREDO**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, December 6, 2005*

Mr. TANCREDO. Mr. Speaker, I rise today to pay tribute to Sergeant Luis Reyes of Aurora, Colorado.

Sergeant Reyes died November 18, 2005 after succumbing to injuries he sustained near Ali Al Salem, Kuwait carrying out his duties in support of Operation Iraqi Freedom.

Sergeant Reyes was a member of the 947th Engineer Company, Army National Guard, Durango, Colorado and a graduate of Montbello High School in Denver.

He was just 26 years old.

According to media reports, Sergeant Reyes and other Colorado members of the Guard were carrying out a mission to help repair, improve and reconstruct damaged and inadequate infrastructure in Iraq.

Reyes was known to his friends and colleagues as dedicated to his work, his family and the mission. He was described as someone who would often, "go above and beyond" the call of duty.

He is survived by his wife, two children, father, mother and a brother.

Mr. Speaker, all Americans owe Sergeant Reyes and his family a great debt of gratitude for his service to our Nation. My deepest sympathies go out to his friends and family.

He will be missed by all who knew and loved him.

THANKING WILLIAM NORTON FOR  
HIS SERVICE TO THE HOUSE

**HON. ROBERT W. NEY**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, December 6, 2005*

Mr. NEY. Mr. Speaker, on the occasion of his retirement in December 2005, we rise to thank Mr. William Norton for over 27 years of outstanding service to the United States government, most recently here in the U.S. House of Representatives.

Bill began his legislative career as a Senate intern while attending Georgetown University. Following his graduation in 1973, he served as a Legislative Assistant to Senator Bill Brock of Tennessee, before attending law school at the College of William and Mary in Virginia.

During and after law school, Bill worked in the Congressional offices of Representatives Paul Trible of Virginia, John Rousselot of California, and Jim Jeffries of Kansas, in positions ranging from caseworker to Legislative Counsel.

In 1983 Bill began a series of increasingly responsible positions as an appointee in the administrations of Presidents Ronald Reagan and George H.W. Bush. He served in the General Services Administration, the President's Commission on Executive Exchange, the Office of Personnel Management, and concluded his tenure as Deputy Assistant Secretary of the Air Force for Force Management and Personnel during a period that included the Persian Gulf War. There he received the Air Force Meritorious Civilian Service Award, the second highest medal for which Air Force civilians are eligible.

Bill returned to service here at the House in 1995 within the Office of the Chief Administrative Officer, being sworn into office on the first day of that organization's existence. He played a key role in establishing the new Office of Procurement and Purchasing where he served in a management capacity, including a year as Acting Associate Administrator. The House has seen major changes in its acquisitions process in the ensuing years including actions such as the privatization of House Postal Operations and the conversion of its purchasing system from a paper based one to an electronic one. With Bill's help, we have been able to build a procurement system that is fair, open, competitive, auditable, and which has resulted in millions of dollars in savings to the taxpayers.

On behalf of the entire House community, we extend congratulations to Bill for his many years of dedication and outstanding contributions to the U.S. Government, and in particular to the House of Representatives. His wit, his counsel, and his expertise in the procurement policies and procedures of the House will be missed by his colleagues. We wish him many wonderful years in fulfilling his retirement dreams.
